

ENQUIRY FORM

This is not a formal application for grant assistance

Perth and Kinross Heritage Trust provides grants on behalf of the Scottish Ministers and Historic Scotland to assist owners and guardians of historic buildings located within the Perth Central and Kinnoull Conservation Areas who wish to maintain or restore their properties.

Completing and returning this form is the first step that owners should take to access potential funding support to help defray the costs of repairs and improvements to historic buildings.

If you are interested in the scheme please fill in the details below and a member of the Trust will get back to you to discuss your project. **For more information please see the PCHF Guidance Document which is available to download.**
